

In partnership with

# Spotlight on... the next generation

The industry needs to attract  
more young talent.

Let's work together to show a  
positive image of construction.

400,000  
new recruits are  
needed each year,  
equivalent to  
one person every  
77 seconds

Arcadis 'Talent Scale' (2017)

Improving the image of construction
